Club Newsletter – March 2021

Dear members,

I hope everyone is keeping safe and well as lockdown looks to be drawing to a close and restrictions begin to ease.

I wanted to send out this newsletter to update everyone on the club and upcoming plans for when tennis can resume from 29th March.

New website and new coach!

It's a new year, and we are very excited to be coming back with a brand new website, and a brand new coaching partnership.

We welcome Ben Orton of ABC Tennis as the club's new coach and he will be heavily involved in club activities, offering a wide range of coaching services, for both juniors and adults.

You can find our new website at www.strensalltennisclub.net

It will be full of content about the club, and will give you a great insight into Ben's coaching history and the variety of coaching options he can offer.

If anyone is interested in signing up for coaching, you can do so via the website, or by contacting Ben at benortontennis@outlook.com

Easter junior coaching camps

We are very thankful tennis will be resuming soon, and with Ben on board, we'll be launching into the Easter holidays with a junior coaching camp.

This will be running from Monday 5th April through to Friday 9th April, and will be a great way to get the kids active and out of the house after a few months of home schooling!

Details and booking can be found on the website: <https://www.strensalltennisclub.net/holiday-camps-abc-sports-clubs>

Be sure to book soon to ensure a place for your budding tennis star(s)!

2021 Club memberships

Memberships will start from 29th March and run through to 31st March 2022.

Sign up can be done via the website.

Social Events & Fundraising

This year we will be aiming to return to putting on social events during the course of the season, where COVID restrictions allow, and looking at other fundraising opportunities.

We welcome any ideas and suggestions for events and fundraising opportunities from all members. Please feel free to contact me if you have got any ideas or would like to get involved.

York Tennis League

We remain hopeful that our 2 Men's teams will be able to compete in the league this season. The league are currently reviewing the guidance and consulting with teams on their willingness and availability to submit teams.

We are always on the look out for new players. Anyone interested, please contact our team captains, Ryan or Clark to register your interest. Their contact details are on the website.

We also aim to build up our female membership with the aim of entering teams into the ladies and mixed leagues from next season. Anyone that would be interested in this, please let me know.

For now, I hope we can enjoy a successful season of tennis, and I look forward to seeing you all out on the courts!

Regards,

Ross Welsh
